

# SUMMER SERVICE INSPECTION for only £29.99!

*“You’re right June!  
We need Herbie running in tip-top condition  
ready for our summer holidays. Well Harry,  
those clever chaps at FastFit Station can help!  
They’re offering a fabulous deal. A summer  
service inspection for ONLY  
£29.99 inc. vat. ”*

**FastFit**  
STATION

## 10-Point Summer Inspection - *What you get...*

- Coolant** - We'll top up the coolant to keep you running!
- Air Con Anti-Bacterial Flush** - We'll run an anti-bacterial fluid through your air con system, keeping it debugged and smelling as fresh as a daisy!
- Ancillary Drive Belts** - We'll check that your vehicle's drive belts are in good condition to ensure correct operation of the engine ancillaries.
- Brakes** - We'll check that your vehicle's brakes are in a safe and serviceable condition.
- Lights** - We'll check that all your lights are in correct working order.
- Oil** - We'll report on your engine's oil condition and level.
- Starter and Charging** - We'll check the operation of your starter motor/charging system.
- Tyres** - We'll ensure your tyres are at the correct pressure and report on the general health of all 4 tyres.
- Wiper Blades** - We'll check and report on the condition of your wiper blades.
- Washer Fluid** - We'll make sure your washer fluid is at the correct level to keep your screens squeaky clean!
