

# SUMMER SERVICE INSPECTION for £29.99...

“You're right June!

We need Herbie running in tip-top condition ready for our summer holidays. Well Harry, those clever chaps at FastFit Station can help! They're offering a fabulous deal. A summer service inspection for ONLY £29.99 inc. vat. ”

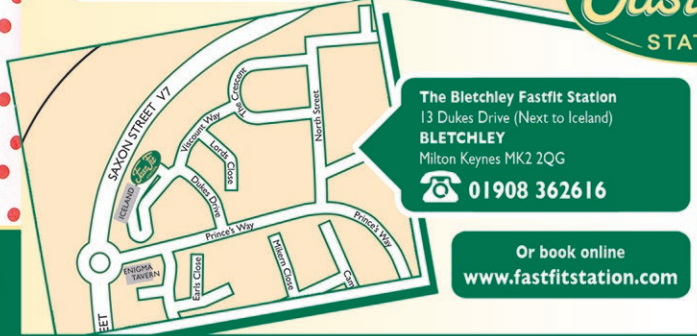

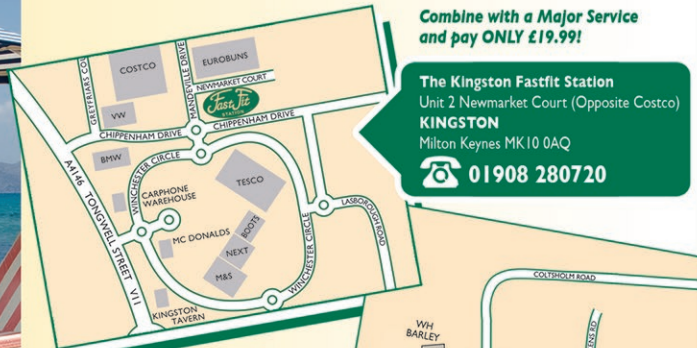

## 10-Point Summer Inspection - What you get...

- Air Con** - We'll test your air con system to make sure you have the correct level of gas to keep your car cool all summer long.
- Air Con Anti-Bacterial Flush** - We'll run an anti-bacterial fluid through your air con system, to keep it fresh.
- Ancillary Drive Belts** - We'll check that your vehicle's drive belts are in good condition to ensure correct operation of the engine ancillaries.
- Brakes** - We'll check that your vehicle's brakes are in a safe and serviceable condition.
- Lights** - We'll check that all your lights are in correct working order.
- Oil** - We'll report on your engine's oil condition and level.
- Starter and Charging** - We'll check the operation of your starter motor/charging system.
- Tyres** - We'll ensure your tyres are at the correct pressure and check that they are in good condition.
- Wiper Blades** - We'll check and report on the condition of your wiper blades.
- Washer Fluid** - We'll make sure your washer fluid is at the correct level to keep your windscreen nice and clear.
